

MANAGER'S UPDATE

Greetings and Salutations: April 2022 was a month of challenges and growth. We finished Q1 with our strongest numbers ever as a company. There has been great client feedback on the techs and ATI Canada as a whole. Each of you play an instrumental role in our success, with your hard work and professionalism, that you each portray day in, and day out has not gone unnoticed.

To better assist you, we have added two additional Field Supervisors to our organization. I would like to welcome Alex Jurich and Justin Derrien to our leadership team, both Alex and Justin will be working a 14/14 schedule for the western region and collaborating closely with Tom Walters, the Regional Coordinator.

Please join me in welcoming all our lead hands:

Angus Winton
Lane Laseur
Michael Wilkinson
Dallas Vankoughnett
Michael Gallagher
Paul Gutek
James Findlay

Dillion Wiltshire Izak Blouin Robert Dunn Ryan Mattson Geoffrey Sutcliffe Tyler Westlin

Thank you for all you do. Corey Coffey – Director of Operations

SAFETY MOMENT

No project, no matter how critical, is worth a lost finger, a blinded eye, or tragic loss of life. When safety becomes the primary guideline for progress, all parties reap the rewards of a job well done and done safely.

FLEET UPDATE

We had a tough spring season with respects to our fleet; water and mud were relentless this spring. However, we are almost back to full availability of our fleet. To bring you all up to date, we have purchased 11 new laptops with complete com adapters and updated software; we expect delivery of these laptops in the next couple of weeks. We have gotten great feedback from the field on tools, whether it's missing tools or just needing better quality. The field supervisors and coordinators have been actively restocking trucks with tools, and it has been improving daily. For the techs out there, these trucks and tools are your bread and butter. The better we maintain our truck and tools, the stronger we become as the Leader in Heavy Duty Mechanics.

VACANCIES AND TRANSFER OPPORTUNITIES

ATI is making a major impact on the industry, we continue to grow and are not slowing down. We have had some great meetings with our clients and have acquired new Heavy Equipment Technician positions.

EMPLOYEES OF THE MONTH

WESTERN REGION

CONGRATS, ALEX FENNIGI

We would like to congratulate Alex Fennig for being the Western Employee of the Month. Alex is a powerhouse employee who is always willing to put in the extra work and always has his hand up for overtime. Alex's excellent work habits, knowledge and attitude have him heavily respected by his peers and all Willow Creek mine staff.

NORTHERN REGION

CONGRATS, TYLER WESTLINI

We would like to congratulate Tyler Westlin for being the Northern Employee of the Month. He is always willing to help to make ATI a great place to work. When we started the NACG project at Aurora, he worked with the team to ensure everyone was where they needed to be from the first day and stayed connected with Janet and the NACG team to make sure everyone is well informed. Tyler is huge asset to the team and we look forward to continuing to support him and his team throughout the year!
