

ATI CANADA

AUSTECH INDUSTRIES LTD
Your Leader in Heavy Duty Mechanics

MANAGER'S UPDATE

It's that time of year where we are thinking of holidays, the warm weather, time off or just time away from work. It is important for us to remember that we work with some of the largest and complex equipment in the world. I cannot overstate the importance of safety, we come into work, day in and day out, and we need to go home the same way we arrived.

Over the past few weeks, we have seen an increase in incidences from minor safety infractions to fatalities in the mining sector in Canada. It is important for us to remember to do our due diligence, take the time to accurately assess the tasks at hand. Take a moment to review the procedures. Take a moment to review your FLHA. Most importantly take a moment to think about why you came into work today? All while we all continue to perform magnificent work. We must remember to be due diligent and watch out for each other and come home safely at the end of the day.

Have a Formidable and Safe Summer!

Corey Coffey - Director of Field Operations

Coming Soon

Over the next few weeks, we will be slowly rolling out the new ERP System called Acumatica by site location. Stay tuned for more updates!

Refer a mechanic and receive up to \$1500!

See page 2 for details on our current vacancies.

WELCOME TO THE TEAM

JUNE NEW HIRES

Jaden Almen

Bryden Erdelyan

Robert Hamilton

SAFETY MOMENT

LEAVE SOONER
DRIVE SLOWER
LIVE LONGER

FLEET UPDATES

1. Remember to keep your service trucks cleaned and on track for your maintenance schedules.

2. Tooling for service trucks is being improved across the company, Tool request and truck tool audits are coming in Bi-weekly, its up to all of us to keep track of the tooling and equipment in our trucks. Please let your lead hand know if you are missing or need a tool to do your job.

3. The first of 4 service trucks have gone to work in Vic Gold and the other 3 will be coming online in the coming weeks for our other client sites.

VACANCIES AND TRANSFER OPPORTUNITIES

We have openings for Mine Electricians, Heavy Duty Mechanics, and as well as HET Apprentices! We are excited to train the next generation of mechanics, electricians, and leaders in our industry.

**WE CURRENTLY HAVE VACANCIES
ACROSS THE NORTHERN AND WESTERN REGIONS**

If you are interested in a site transfer, please send an email with updated resume to HR, at hr@aticanada.ca and new applicants, please refer applicants to careers@aticanada.ca.

Please note that only those qualified will be eligible for a transfer as we need to meet equipment specific skill sets for each client.

EMPLOYEES OF THE MONTH

WESTERN REGION

CONGRATS, CLIFFORD CHRISTOPHER!

We would like to congratulate Clifford Christopher for being the Western Employee of the Month. Clifford has an unbelievable work ethic and will take on any challenge with zero complaint. His positive attitude is welcomed and has him respected by his peers and our customers. Clifford is always willing to step forward with ideas to better the company and always willing to give a hand to anyone.

NORTHERN REGION

CONGRATS, KEVIN BARNES!

Since joining our team on the Kearl project Kevin has been very eager to go the extra mile and a key player in helping us with our kick-off at NACG Kearl Lake. Kevin has handled all bumps and obstacles with professionalism and excellent communication. Kevin has proven himself to be an asset, not just with his excellent attitude, but also experience and skills, especially with regards to excavators. Kevin is very pleasant to deal with and we look forward to his continued success at ATI Canada.
