

## JANUARY 2025

# EMPLOYEE OF THE MONTH

## NORTHERN REGION

Ryan's impressive leadership skills have not gone unnoticed by his team nor the client. Recently, the client awarded Ryan with an acting leadhand position and has been excelling in his role. He provides support for his entire team, solves many issues and consumable delivery issues which have been an issue due to the isolation of their work location.

He consistently goes above and beyond for his team and provides a great source of valuable knowledge on the equipment they are working on. This is exactly what we strive for as a company... being the leader in Heavy Duty Mechanics! Ryan, keep up the fantastic work!

*Nominate somebody today!*

Submit your nomination through the QR code using the "Employee of the Month Referral Form" under HR/Administration Forms.
